Minsur Announces Extension of its Offer to Purchase Certain Outstanding Senior Notes

LIMA, PERU – June 30, 2021 – Minsur S.A. announced today the extension of the Expiration Date and amendment to the Settlement Date (each, as defined below) of its offer to purchase for cash its outstanding 6.250% Senior Notes due 2024 (the “Notes”) for an aggregate purchase price of up to US\$300 million, in accordance with Minsur’s Offer to Purchase dated May 19, 2021 (the “Offer to Purchase”) pursuant to which the tender offer is being made.

The tender offer will expire at 5:00 p.m., New York City time (4:00 p.m., Lima time), on July 1, 2021, unless further extended, or earlier expired or terminated by Minsur (such time and date, as the same may be further extended, or earlier expired or terminated by Minsur in its sole discretion, the “Expiration Date”). As of 2:30 p.m., New York City time, on June 30, 2021, US\$263,727,000 aggregate principal amount, or approximately 59.05%, of the Notes had been validly tendered and not withdrawn. **Tendered Notes may not be withdrawn, except as provided for in the Offer to Purchase or required by applicable law. Minsur is not extending the Withdrawal Deadline (as defined in the Offer to Purchase) or otherwise reinstating withdrawal rights of Holders.**

Holders who did not validly tender their Notes on or prior to the Early Tender Deadline (as defined in the Offer to Purchase), and validly tender their Notes at or prior to the Expiration Date will be eligible to receive the tender consideration of US\$1,035 per US\$1,000 principal amount of tendered Notes. Accrued and unpaid interest will be paid on all Notes validly tendered and accepted for purchase from the last interest payment date up to, but not including, the settlement date, which is now expected to be on July 6, 2021 (the “Settlement Date”).

Minsur’s obligation to accept for purchase and to pay for the tendered Notes is subject to the satisfaction or waiver of certain conditions, which are more fully described in the Offer to Purchase, including Minsur having obtained sufficient gross proceeds from a debt financing. Subject to applicable law, Minsur may amend, extend or terminate the tender offer in its sole discretion.

The tender offer is being made solely pursuant to the terms and conditions set forth in the Offer to Purchase which sets forth a more detailed description of the tender offer. Holders of the Notes are urged to carefully read the Offer to Purchase before making any decision with respect to the tender offer.

Minsur will purchase all Notes that have been validly tendered and not validly withdrawn at or prior to the Expiration Date, for an aggregate purchase price, including accrued interest, up to US\$300 million (the principal amount of Notes that does not cause such amount to be exceeded, subject to increase, decrease or elimination, the “Aggregate Maximum Tender Cap”), and all conditions to the tender offer having been satisfied or waived by Minsur, promptly following the Expiration Date, on the Settlement Date. If purchasing all of the validly tendered and not validly withdrawn Notes on the Settlement Date would cause the Aggregate Maximum Tender Cap to be exceeded on the Settlement Date, Minsur will accept for purchase the Notes on a pro rata basis, so as to not exceed the Aggregate Maximum Tender Cap (with adjustments to avoid the purchase of Notes in a principal amount other than in integral multiples of US\$1,000). Tenders of Notes submitted after the Expiration Date will not be valid.

King & Co., Inc. is the Tender and Information Agent for the tender offer.
